## Salads

### Chef's Special Salad 8.25

Our special salad changes daily. We like to feature our specialty greens such as succulent mache and fine arugula sylvetta, as well as fruits and nuts which we mostly grow ourselves. Served with a dressing designed to complement the ingredients, and a breadstick.

### Fresh Green Salad 8.00

An assortment of fresh baby salad greens and garnishes grown and hand-picked by us and other certified organic California growers. Served with a balsamic vinaigrette and a breadstick.

Additional fresh-baked breadsticks 1.00 each
